INFORMATION CONTINUES ON BACK SIDE

*Dates tentative depending on weather

Limbs & Branches

Limbs and branches will be picked up the 1st and 3rd Tuesdays April through November. This is done by the City's Department of Public Works at no additional cost to residents and is for fallen branches or minor tree trimming done by the property owner. The City will not collect brush or branches from trees that have been removed by a tree removal service. Place brush piles, no greater than 4 feet high, neatly at the curb with all the cut ends in the same direction, preferably with the ends facing away from the direction of traffic. This is for large branches and limbs over 4 feet in length. The main branch stem should have a minimum diameter of 1 inch and not be greater than 6 inches. (For the safety of employees, very small branches or sticks will not be collected.) Brush contaminated with dirt, vines, stumps, stones or metal cannot be chipped and will not be collected. If there is damage from a major storm, pickup dates will be announced on social media and on the City website.

Christmas Tree Pickup

Christmas trees will be picked on **January 4 and 11**. Please remove all tinsel, garland, ornaments, etc before putting the tree out for pickup.

Hydrant Flushing

Dates for hydrant flushing will be announced in The Williamston Enterprise newspaper, on the City website and on social media. Please use caution when laundering during this time. If you experience rust on your clothes during a wash cycle, try the following formula: put 1 or 2 TBS baking soda in the final rinse water. This will not hurt clothes.

Leaf Pick-up in the Fall Only (***No Leaf Pick-up in the Spring***)

Do not bag your leaves. Any changes to the dates on the calendar will be on social media and on the City website. If you live on Grand River Ave., do not put them in the street, only rake to the curb. All other areas, if the leaves are not in the street, they will not be picked up.

Ice & Snow Removal

It is the responsibility of the property owner to remove any ice and snow from the entire length of the sidewalk on their property whether the property is unoccupied or if there is a building or structure on it. Sidewalks need to be cleared within 24 hours of cessation of snowfall if less than 4" or within 48 hours if greater than 4". Sidewalks not cleared may be cleaned by the City and the property owner will be invoiced. Per City ordinance 50-32.

Parking

No parking is allowed on any City street from 2:00 a.m. to 5:00 a.m. from October 1st through March 31st. If there is a late snowfall (in April) cars will need to be off the streets for plowing by the City. Per City ordinance 66-145.

Long Grass

All lawns/grass areas including vacant lots are to be kept mowed. Grass & weeds over 12 inches will result in a letter from the City with a 10 day notice to mow. If not mowed, City personnel will mow the grass and the property owner will be invoiced. Per City ordinance 26-73

Trash and recycling service

Trash and recycling must be set out by the curb by 7:00A.M. on day of pickup. *If a holiday occurs prior to or on your day of pickup, your trash will be picked up on the next day.* **Please call Granger at 517-372-2800 with questions regarding service.** (If you live south of Grand River Ave., pick up day is Monday, if you live north of Grand River Ave., pick up day is Wednesday.)
