21st Police and Kids Golf Outing

The Williamston Police Department and the Williamston Business Community are working together to bring you this Golf Scramble to help fund the Williamston Police and Kids Program.

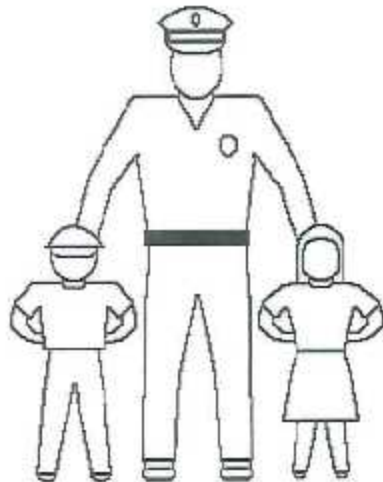

The program is paid for with funds provided by citizen donations and proceeds from this outing. Assistant Chief Hull meets with over 800 school children from our local schools each month. He gives instruction in many different areas that help the children make the right choices and decisions.

In loving memory of HARRIETTE DUNCKEL

Harriette gave her time and love to Williamston for many years. The Police and Kids program was one of the lucky benefactors of her endless energy. She was so fun to have at these golf outings and was so proud to have her family involved. We will miss her laugh, her stories, and her beautiful hair and nails. Please remember her this year, as we will every year, and know that we are honoring her legacy at the outing this year.
