

# E MIDDLE/S MULLETT STREET CONSTRUCTION

**Anticipated Start Date: Beginning May, 2019**

**Anticipated Completion Date: July 29th, 2019 (Open to Traffic)**

## **CITY OF WILLIAMSTON**

161 E. Grand River Ave.  
Williamston, MI 48895  
517.655.2774

The road segments noted below will be closed for pavement reconstruction, new water mains, improvements to sanitary sewer, storm sewer, curbs and sidewalks. Road segments include East Middle Street from the intersection of Crossman Street to the beginning of Mill St as well as South Mullett Street from East Middle Street to East Grand River Ave. The project is expected to take approximately 13 weeks to complete depending on weather conditions. Through traffic on East Middle Street will be detoured to Grand River Avenue.

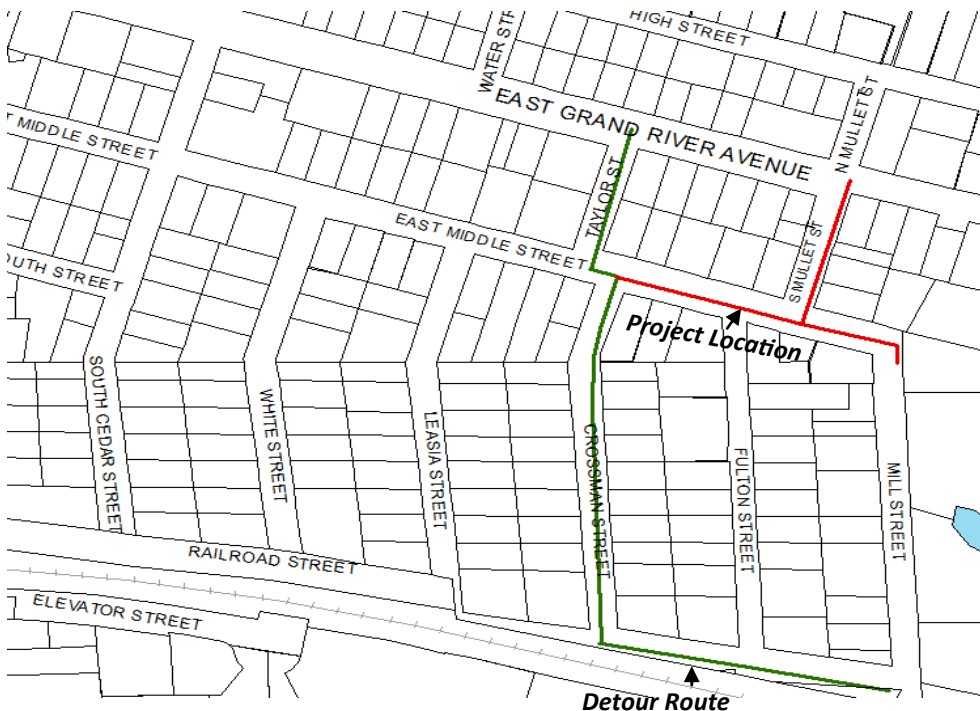

Residents living within the construction zone of East Middle and South Mullett Streets will be accommodated as much as possible but there will be times that alternate parking is necessary. Residents on Fulton Street and Mill Street will need to follow the detour route on Railroad Street to Crossman Street.
