13. Council Member Comments:

Councilman DeForest reported on the park cleanup. He feels it is really great people are coming out to work on the park and the Friends of the Park are raising money for park improvements as the City does not have a lot of money to put into maintenance costs and labor. He mentioned Superintendent Murphy rode on a hallway tile cleaner they call the "Zamboni" during her going away party with the students. The sign on the "Zamboni" read "Thanks for all the snow days." He added that May 8th is D-Day for all the World War II historians.

Councilmember Whelton commented she has been asked why she does not make motions, and explained she does not make motions because she has trouble seeing the writing in the packets.

Councilman Munce commented he feels Middle Street will be beautiful when it's finished.

Councilman Bertolino commented there were a lot of people helping out at the park during the cleanup day. There were people even cleaning out the river. He asked the public to please help out the Kiwanis Club by taking part in the flag program. He appreciates staff getting bids for services and products and feels it's done consistently and speaks volumes for the great work they do.

Mayor Gilroy commented she was able to take part in the Ice Cream Social at the school and they exceeded their expectations for attendance. The money is being raised to replace drinking fountains that will also allow for refilling of water bottles with filtered water. There were 29 gift baskets raffled off with a wide variety of items. The Commons will hold an Open House from 3-9 p.m. on May 18th. She thanked Ms. Evans' class for all the City Hall artwork.
